Azzurro Townhouse

Azzurro is a new development of 12 three-bedroom townhouses, each with a private terrace and plunge pool. Located in Porters, St. James, just a few steps away from the beach and ocean.

This home features recessed ceiling detail and suspended lights with full trifold doors that open and expand the living space area onto the covered patio. The covered patio offers outdoor dining and relaxing with a private pool and a waterfall feature with lush vegetation. The kitchen is outfitted with a modern European style with quartz countertops and quality appliances.

The unit offers porcelain tiles throughout with ceiling fans in the bedrooms, living and patio areas. One bedroom is located on the ground...
