## Cotton Bay Close 22

Cotton Bay Close 22 is a three bedroom, three bathroom townhouse located in a gated community, in Christ Church, Barbados. There is one bedroom and bathroom on the ground floor and the other two are upstairs. The unit is very nicely furnished, and a plunge pool off of the patio makes this townhouse extra special. This is an end unit, so very private and also very cool. This is a gated community on one long street, where neighbours know each other and kids can play.
