## Plantation Cottage 2

Plantation Cottage 2 is one of the three townhouses intricately designed to protect the others privacy while still boasting its own uniqueness and charm. The villa has been recently renovated to a high standard and for the savvy investor this property has low maintenance costs and an excellent rental track record. This contemporary styling with an essence of the Caribbean is nestled amongst tropical landscape of split level construction, designed to lead you through the careful balance of exterior and interior space. Exploring the bedrooms on the first floor will reveal ceilings open to the rafters while the ground floor exploits the tasteful Caribbean pickled pine tongue and groove ceilings. All bedrooms are air-conditioned and have a Phillippe Starck inspired bathroom with white vessel basins and chrome faucets sitting on ha...
