The Igneri

The Igneri (Iã±eri) is a 3-bedroom 2 and a 1/2 full-bathroom residence with capacious reception rooms and kitchen, and views of the south coast from the nearby ridge top. This established neighborhood of Rendezvous Ridge is sought after and provides residents with the utmost of tranquility and the convenience of being centrally located to local market places. The combination of open plan living with vaulted ceilings, ample storage space and garage makes this an ideal residence for those looking to live a relaxed lifestyle. The Igneri were some of the original indigenous people of Barbados that inspired tribal commerce and thrived for over 1,000 years.
